CUISINE Willi's Wine Bar captures the casual, laid-back nature of Sonoma County Wine Country. Tourists and locals feel equally at home enjoying a quick bite or lingering with friends over a glass of wine or a craft cocktail complemented by Chef Mark Stark's menu of international small plates, some wildly inventive and others comfortingly familiar. The knowledgeable staff is eager to suggest perfect pairings with wines from the extensive wine list, many by local producers. Most wines are available in two- ounce tastes as well as by the glass or bottle. Takeout is available.
